Product Data Sheet
Lindy USB 2.0 Type A Male to Type C Female Adapter

Description

USB adapters allow users to connect different USB interfaces to a device that uses a differing USB port.

The Lindy USB Type A to C Adapter allows users to connect a USB Type C cable to a USB Type A device such as a PC or laptop. It's ultra compact design makes this adapter perfect for taking to meetings-on-the-go or leaving in conference rooms for future use. Due to it's ultra low profile, it does not put any strain on the port and does not block any other ports.

Data transfer speeds up to 480Mbps are supported for the quick and effortless transfer of large data volumes.

Product	SKU
LINDY USB 2.0 TYPE A MALE TO TYPE C FEMALE ADAPTER	RB-00-001
