

Product Data Sheet

Lindy USB Type C to HDMI 4K60 Converter

Description

The Lindy USB Type C to HDMI Converter allows users to easily add external video capabilities to a computer featuring the USB Type C port with support for DisplayPort Alternate Mode. The converter is powered by the USB Bus, therefore no external power supply is needed, saving space and time when connecting.

With support for 4K UHD resolutions, content can be viewed with superior clarity and stunning accuracy, while the Type C connectors reversible design means a connection can be found regardless of which way the cable is inserted into the port of a laptop, notebook or Macbook.

With Plug and Play installation, this converter can be installed with minimum fuss, perfect for both professional and first time users.

Product	SKU
LINDYUSB TYPE C TO HDMI 4K60 CONVERTER	LIN-43339

Key Benefits

- Converts a USB Type C port to an HDMI port
- Supports HDMI resolutions up to 4K 3840x2160@60Hz
