

Product Data Sheet

Argosy CD3 Steel Cable Drum - Black

Description

The transportation of cables is made easier with the CD Series Steel Cable Drums.

These drums incorporate three cable supports, two connector clips and an integral winding knob. It features a carrying handle at the top of the frame to allow for easy handling and a sturdy, unbreakable spring-loaded latch. This is resistant to vibration and makes movement in transit impossible. For added protection, spring clips can be supplied as an optional extra.
